“I have found Avalon to be extremely efficient”

“Personally, I have found Avalon to be extremely efficient from the initial enquiry, through the order process, leading to a swift and efficient delivery. So much so, that we have enquired about other products other than couches as the prices have been very competitive with other suppliers.”

Paula Hanlon,
Hotels & Leisure Director,
Formby Hall Golf Resort & Spa

“The couches are perfect for our needs

“I now have 5 Avalon Couches in two sites which are used for complimentary therapies. My patients have cancer or palliative care needs and have complex physical problems. The couches I have purchased from Avalon have reduced the need for any manual handling, are comfortable and perfect for our needs. I am very happy with the product and the service from Avalon couches.”

Lynne Sheridan
Day Care Manager
Palliative Care, Y Rhosyn & Ty Olwyn

“Their service has never disappointed us”

“We have been using Avalon Couches for a few years now. Their service has never disappointed us. The staff of Avalon Couches work in a very professional manner and they value their customers. I would recommend them to any company requesting their kind of services.”
